 Cooperative Christian Ministry

## Champion of Change Scholarships

NETworX CATAWBA is a faith-based program offered by Greater Hickory Cooperative Christian Ministry, supported by area churches, the faith community and partnering organizations with the goal of moving families out of poverty.

*The NETworX CATAWBA program works with economically distressed individuals and families living in poverty to help them toward self-sufficiency and economic stability.* The NETworX CATAWBA initiative is a multi-dimensional model for reducing poverty based on national research suggesting that low-income families must have a support system of intentional relationships across economic and class lines to access resources in the community to move toward self-sufficiency. NETworX CATAWBA is also a model for systemic change that helps communities move toward ending poverty by working together to develop goals, practices, and policies that enable self-sufficiency.

**PLEASE consider sponsoring a half or full Champion of Change scholarship!** By providing a \$250 for a half scholarship or \$500 for a full scholarship, a NETworX Champion and their family members will be able to participate in the NETworX Catawba program. This is an exciting opportunity for our community to help families living in Catawba County move out of poverty.
